

FOR SALE
\$2,100,000

Take advantage of this turnkey indoor cultivation facility in Desert Hot Springs, a strategic hub for cannabis operations. This location offers direct access to affluent Southern California markets while maintaining significantly lower business overhead compared to heavily populated areas with high real estate costs and security challenges. Fully operational and equipped with 203 flower lights, this facility presents an exceptional opportunity for investors and operators seeking to expand in CA and begin generating revenue instantly.

**NDA
REQUIRED**
